

School Supply List

Each Student will need to keep a change of clothes (including socks and underpants) in a gallon sized zip lock bag labeled with his/her name. A pair of indoor shoes/house slippers -required for indoor wear. Each child enrolled for full day will also need a small blanket for rest time and a tote bag in which to transport the blanket to and from school each week. Rest time blankets must be kept at school for the week, not taken home daily. Blankets not transported in a tote bag cannot be accepted as we maintain compliance with current local and state health regulations. Please plan to bring all supplies to Open House or prior to start of school year so teachers can get everything prepared and organized before school begins.
